SUMMER CAMP
Sunday to Friday
DAILY CAMP
Monday to Friday

Bilingual
English- French

To facilitate the learning of French for your children, we offer a multitude of activities all more interesting than others!

Here are some examples of activities, animated French may be part of the schedule of a day camp.

Fishing pond

The child will be introduced to methods of fishing. In addition, he may cook his grip on the spot or take home!

Hiking

Over 6 km of trails are set up to take walks observation or high ropes activity with children.

Apprentice Farmer

With the mini-farm on the site, children can feed more animals. (Horses, rabbits, sheep).

Gross motor

physical activities animated and periods of free play in the structure of outdoor games get kids moving.

Artistic and culinary achievements

Creations plastics and preparation of recipes easily reproduced at home! (Those are great alternatives to a rainy day!)

Outdoor Play games

horseshoes, badminton, volleyball, soccer and others are available to enable children to develop athletic skills varied.

☞ Every Thursday evening, children's summer camp will have special activities such as campfires, festivals, etc..

☞ Friday morning, all children present (those of summer camp and day camp) will have the chance to enjoy lunch brunch.

☞ A detailed schedule and other suggested activities will be available from November 2010.
